The 4th Of July Weekend Hamptons Party Guide 2013

Jul 2, 2013

We're just counting down the hours until it's time to jet-out East this weekend (and just praying that we can call in sick on Friday). Hopefully the weather holds out and our Friday "sick-day" works, because the Hamptons are full of can't-miss parties. From Ben Watt's annual Shark Attack Sounds Party taking over the Montauk Yacht Club (and hopefully going past 11:30 pm) to the **Voss Foundation's** First Annual Benefit at **Georgica**, it's going to be a crazy 4th of July!
